EXPERIENCE

JANUARY 2025 – CURRENT

- **Wordpress Developer**, *AI Nexus Solutions*

ROLE SUMMARY:

As a WordPress Developer at AI Nexus Salutions, a technology-driven software house, I am responsible for developing, customizing, and maintaining high-quality WordPress websites for a diverse range of clients and industries. I work closely with designers, project managers, and back-end developers to deliver optimized, responsive, and user-friendly websites that meet both client expectations and business goals.

KEY RESPONSIBILITIES:

- Experience with designing and developing custom WordPress websites
- Proficient in HTML, CSS and ELEMENTOR PRO
- Familiarity with responsive design and implementation
- Experience with WordPress plugin and theme development
- Ability to customize and modify existing WordPress themes and templates
- Good understanding of SEO principles and optimization strategies
- Ability to troubleshoot and resolve technical issues in WordPress
- Proficient in integrating third-party APIs and services into WordPress
- Responsible for developing and maintaining WordPress websites
- Collaborate with designers and content creators to implement website layouts and designs
- Stay updated with the latest trends and technologies in WordPress development
- Assist in website migrations and updates
- Provide technical support and guidance to clients or team members
- Maintained WooCommerce websites, configured product pages, and handled checkout/payment settings.

November 2023 – October 2024
